The 2015 ASF Winter Gala and Auction

For 31 years the ***Gala and Auction*** has been the centerpiece for raising funds for the Adaptive Sports Foundation. Join us on February 7, 2015 to celebrate the accomplishments of our students and volunteers, and to help support the foundation for another successful year.

The 2015 ASF Winter Gala and Auction will be held at Windham Mountain's exclusive private club, *The Club at Windham Mountain*. Admire picturesque slope side views of Windham Mountain, enjoy great food and spirits, and join in the fun of the silent auction.

About the Adaptive Sports Foundation

Our mission is to provide profound and life changing experiences for children and adults with physical and cognitive disabilities and chronic illnesses through outdoor physical activity, education, support and community.

ASF participants live with disabilities ranging from relatively mild learning disabilities to more severe disabilities such as quadriplegia, autism and traumatic brain injury.The ASF provides over 4,000 lessons in adaptive sports annually. The ASF is also a program provider for the Wounded Warrior Project® providing sport and fitness programs for hundreds of our nation's wounded servicemen and women annually.

ASF is able to offer these services to individuals with disabilities for little or no cost, in part, through fundraising events such as the 2015 Gala & Auction. By supporting this year's event you will be giving individuals with disabilities hope for a healthier future.

Support the ASF by donating an item to the 2015 Auction
