

# Ralph Hartman Tribute Race

March 8, 2014

Windham Mountain, New York

**Join us in a celebration of abilities!**

The Ralph Hartman Tribute Race gives adaptive skiers and riders the opportunity to feel the excitement of being in a race course. The emphasis of the Hartman is on the experience of the race, not winning. The race is followed by a dinner and dance for the participants, families, friends and volunteers.

*To learn more and/or register for the race, please visit [www.adaptivesportsfoundation.org](http://www.adaptivesportsfoundation.org)*

Roy & Hunt Foundation

**5:00 pm**

Dinner & Dancing

### Special Note About Parking

One of the challenges of having our center slope-side is limited parking. We request that ONLY people in wheelchairs, who are non-ambulatory, park in the 10 handicapped parking spots on our main level. Additional parking is available in the tiers below the main lot. There is also a shuttle running to our building from Windham Mountains parking areas.

\*Shuttle is not wheelchair accessible.
